

**St. Vincent's
Annual Golf Classic
Monday ♦ August 31, 2009**

Dear Friends:

St. Vincent's is pleased to present our 8th *Annual Charity Golf Classic* on Monday, August 31, 2009 to benefit the important life-changing programs for single women and their children. This year's event will take place at the exclusive La Cumbre Country Club. We are excited to bring our tournament to this private course featuring finely manicured greens and fairways with stunning views, water hazards and classically styled bunkers; first-class amenities; and courteous staff to pamper the player's every need.

The *Golf Classic* is a tremendous success for the women and children we serve each day at St. Vincent's and I invite you to be a partner in our success again this year. We are seeking quality donations for our auction and raffle and hope that you will contribute an inkind gift of goods or services to our event. Your tax-deductible donation will be acknowledged in the printed event program, on our website following the event, and will be an important addition to our fundraising activities for these families in need. Tournament proceeds will help fund the vital programs at St. Vincent's.

Since 1858, St. Vincent's has been meeting the needs of the County's most vulnerable. Our programs address homeless issues, provide affordable childcare, and empower women and children for success through an emphasis on education and counseling. PATHS (Program of Affordable Transitional Housing and Services) is a two-year residential program for single women and their children supporting their successful transition from limited incomes to the work force. Casa Alegria Children's Center is a fully licensed, quality childcare program welcoming children of all races and socio-economical backgrounds. Both programs rely on the support of the broader community to offer these extraordinary services to lower income families in Santa Barbara.

All contributions to St. Vincent's are tax-deductible and will lend a helping hand to many families in need during these critical times. Know that your contribution will positively impact St. Vincent's campus and the almost 600 clients and residents served each day. If you have any questions or would like additional information about the tournament or event sponsorship opportunities, please contact me at 805-683-6381 ext. 107 or kstark@sv-sb.org.

Thank you for your thoughtful consideration of our request. On behalf of the Golf Committee, Sisters, staff, mothers and children in the PATHS Program and families at Casa Alegria Children's Center—thank you for working together with St. Vincent's to make a difference in the lives of the families we serve.

With appreciation,

Kelly L. Stark
Director of Development
