GOLF COURSE DRESS CODE

We recognize that styles, preferences and tolerances change; however, proper private country club golf attire is required; the definition of which is at the discretion of the Head Golf Professional. The dress code applies to the golf course and all adjacent practice facilities.

Men: Collared shirts or sport shirts designed for golf with a mock collar are allowed. All shirts must be tucked in at all times and caps must be worn forward (removed inside the clubhouse). Golf shorts, shorter than 4" above the middle of the knee and below the bottom of the knee are not permitted. Baggy cargo shorts with protruding outside pockets (not flat stitched to the material) are not permitted.

Ladies: Golf skirts, divided skirts (skorts), tailored slacks or Bermuda shorts (no shorter than 6" above the middle of the knee) are allowed. Women's shirts must have either sleeves or collars or both.

La Cumbre Country Club adheres to a non-metal spike policy. Please ensure that you and your guests' golf shoes conform. The golf shop reserves the right to approve all non-metal spiked golf shoes.

Scorers and others (and any person with a private group or Club group of players), must wear acceptable golf attire as set forth above. Abbreviated clothing is not allowed at anytime, by anyone.

PLEASE NOTE: Blue denim or designer jeans (of any color or fabric) are not permitted anywhere at anytime.

The above dress code applies to the golf course and all adjacent practice facilities.

Please remember to acquaint your children and guests with the above revised dress code.
